Principal's Report

atEAST Awards

On Tuesday evening the 4th December I had the privilege of attending the awards evening for the students who undertake our VCAL program with atEAST. It was an amazing night with students from the college winning a number of awards as you will see later in this newsletter. I would particularly like to

congratulate Elaya Carbone who won a number of awards but was the top first year apprentice and took out the Jenny McComb award for the top student in atEAST. The list of her achievements in the hospitality industry was fantastic and a testament to what can be achieved if you follow your passion.

Well done Elaya.

School for Student Leadership

On Friday 7th December I travelled down to Marlo with Shani Vander Young to see our students do a presentation of their community learning project which is to refurbish the kitchen garden at Monbulk Primary School. Their presentation was entertaining, with singing, dancing and drama.

Alex and Abby also performed songs for the audience. It has been great to see the confidence and leadership that the five students have developed over their time at the Snowy River Campus of the Alpine School. We look forward to their return to the college in 2019.

New Buildings and College re-opening for 2019

The first stage of our new buildings is progressing well and we anticipate moving into the new building in late January.

Please be aware that no staff or students are allowed on site at the college between January 8th and January 20th as the asbestos is being removed from A wing which is to be demolished to enable Stage 2 of the building program to commence in February.

The college office will re-open for parents on Thursday January 24th 2019.

Bushfire Preparedness

On Monday we sent out our trial email/SMS in relation to our bushfire preparedness planning. Thank you to all those who responded within the first two hours as this is our target time in case of a Code Red Day or an Extreme Day for the local area being declared. If you did not receive a message or have changed your contact details (phone or email), please inform the general office as soon as possible so that messages go to your current contact details.

Presentation Evening 2018

The College's Presentation Evening will be held at Burrinja on Tuesday 18th December. Invitations have been sent and I look forward to congratulating those students who have excelled in their studies throughout the year.

Canteen

The College's canteen will close on Wednesday 12th December. Students attending the summer program need to ensure they bring lunch with them each day.

Margaret Uren

Monbulk College ~ 2018 Presentation Night

SAVE THE DATE

Tuesday, December 18th at 7.30pm

at

Burrinja Performing Arts Centre, Glenfern Rd, Upwey

SCHOOL FOR STUDENT LEADERSHIP - COMMUNITY LEARNING PROJECT PRESENTATION DAY

On Friday, Margaret Uren and I visited the Snowy River Campus of the School for Student leadership for their Community Learning Presentation Day.

This event is a special occasion in this Year 9 Term experience, where all participating student teams present their plan for their community learning project to their school principals and liaison teachers.

These presentations were so creative and entertaining. The Monbulk team presentation 'Bring Back the Garden' was fantastic, outlining their plan to work with the Monbulk

Primary School to re-establish their vegetable garden and help educate primary school students about healthy eating and maintenance of the garden. Their vision is for 'a local primary school community that comes together to rebuild a vegetable garden, grow their own food and build healthy relationships between peers'. It was not only informative but very creative, involving singing and an hilarious skit! It was also wonderful to see increased confidence and community spirit clear amongst all participating students. It is evident that a significant level of personal growth has taken place throughout the 9 week term at Snowy River Campus.

Well done Alex Lamport, Abby Stephens, Michelle Schmidt, Jacob El-Ali and Bailey Schwind. We look forward to welcoming you back to school next year and supporting you in bringing your project to fruition.

Shani Vander-Young
SSL Liaison Teacher
